Regular exams can save your pet's life. Wellness exams give your veterinarian a baseline for your pet's overall health, so problems are easier to detect later

on. Plus, if we find a problem during wellness screenings, we can start treating your pet sooner. Our Junior Wellness Packages help you help your pets live their lives to the fullest, and the packages save you money in the process. Throughout March and April, you'll receive 20% off our wellness packages, setting your pet up for a happy, healthy life with you.

WHERE East MEETS West FOR CARE AT ITS BEST

Our junior wellness packages are all-encompassing assessments of your pet's health and wellness. These packages provide your pet with an exam and routine lab work, and they save you money in the process.
